## **Individual and Group Participation will help Us**

Every AA wants to make sure of his survival from alcoholism, and their spiritual well-being afterward. This is just as it should be. He also wants to

do what he can for the survival and well-being of AA itself.

In his AA group, every good member feels deeply about this. He or she knows, once the miracle of sobriety has been received, that Providence expects all of us to work and to grow—to do our part in

maintaining our blessings in full force. A perpetual miracle—with no effort or responsibility on our part—simply isn't in the cards. We all understand that the price of both personal and group survival is willingness and sacrifice, vigilance and work.
