## NEW FRONTIERS A NEW VISION FOR YOU

Members of the New Frontiers Committee, Central Office Manager, Delphine H., and several local AA members met informally to discuss the future of the newsletter.

Since its production will no longer go through Central Office, it was recommended that the New Frontiers Committee form a volunteer group to collate, fold, and mail future issues. (Central Office will continue to copy the paper). Beverly K. (Just for Today), Tim P. (Seneca 12 & 12), Shawn C., Rosemarie C. and Sandy H. along with other members of Steering Committee have offered their services until volunteers come forward.

At present, with very few exceptions, groups contribute only anniversaries. The Committee chairs within the structure of Central Committee, of which the New Frontiers is also a committee, have contributed very little in the past year. **THIS IS YOUR PAPER!**

Is this the only information members of the fellowship wish to exchange with one another. Don't we, as AA members, desire more involvement and communication with groups? The reason for the Steering Committee's (and hopefully Central Committee's) support of the New Frontiers Newsletter, is that they realize it is an effective instrument for change within the groups and committees on the Niagara Frontier Area.

A Vision for the New Frontiers Newsletter began about one year ago. These months have been a real growing period for the paper in an attempt to change over to a more reflective format for our local AA area and committees within the Central Committee. It has come a long way in its "progress not

## NEW FRONTIERS

Central Committee of A.A.  
of the Niagara Frontier Area

perfection" attitude...even though criticism (without suggestions) has been high. We believe our efforts have not gone unnoticed since people are more aware of a local AA paper.

Service work is perhaps the most rewarding activity in the Fellowship. Although, the few sometimes carry it for the many, those who participate know incomparable joy and, under the circumstances, it's often difficult to imagine why anyone would exclude themselves from being involved. Certainly it's an obligation, but one that has many rewards. One can never know until one tries.

Speaking from a personal perspective...my personal commitment for one year of service, as your editor, has come to an end. Every ending is a new beginning, so my early sponsor in AA taught me! So I invite you to continue your support to the New Frontiers Newsletter. Kevin F. (VIP Group), co-editor for the past 9 months, will begin to oversee the month-to-month editions until officially nominated/appointed through the group representatives (group conscience) at the Central Committee meeting, Sunday, September 5, 1993.

Since the New Frontiers is going back to its original structure, i.e. the NF committee handling the production, we are seeking AA members/groups/committees to become more involved in their paper. If the paper can't be produced/mailed, etc. by volunteers it will then seek bids from independent printers.

Thank you for allowing me to serve. Mary Ellen S. (Out-going Editor)

So much can be done. Won't you help. Please call Central Office (853-0388) to assist in any way.
