## Credibility Leads to Integrity

Sometimes the wording used in The Big Book and in The Twelve Steps and Twelve Traditions mean something different to individuals often based on how they evolved with respect to Religion, Agnosticism, Atheism and other developmental histories. This may be confusing to many of us, especially Step Six in the 12X12 as it talks of God removing these defects of character the way God removed the obsession to drink. In simple terms I try to word the Step Six process in a way anyone can understand it and my goal is not to offend anyone by being over simplistic but just about all of our actions and behaviors stem from our thinking and if our thinking is of a fearful nature, we are bound to make bad decisions in an effort to defend ourselves. The defects we identify in the step four inventory, disclose in step five and address in step six, are byproducts of our fears and insecurities and are of a spiritual nature as in our inner self. The shortcomings we address in step seven are of a material nature (actions and behaviors) that result from those fears and insecurities. If, in the program, we discover a defect of character and address it properly the shortcoming diminishes and becomes irrelevant. A simpler way I try to describe this process is as follows: Suppose you purchased a new car and drove off the lot and as you reached the first stop sign you hit the brakes; the car slowed down but did not stop as it should and drifted out into the intersection. You then returned to the car lot and explained what happened; they checked it out and discovered that the wrong brakes were installed at the factory. They agreed to correct the mistake. This time when you drove away and approached the stop sign the car stopped as it was supposed to, and it also stopped at every other stop sign or red light. Once the defect was

[identified and corrected, the short coming went away. I look at defects as the unseen part of our makeup such as: thoughts, motives, fears, feelings, ego, conscience, and so on. I look at shortcomings as the results of those inner thoughts and feelings such as: gossip, lying, verbal abuse, cheating, theft, neglect, and so on. In step four we identified our defects of character (fear and Insecurity) and in step five we owned and exposed them. In Step Six and Seven we start to replace our selfish and shameful thoughts and motives with unselfish habits and deeds. There's no need to overcomplicate the process. As we begin to stay on the unselfish side of the behavioral ledger, we begin to establish a new track record and if all our motives are of an unselfish spirit, we start to establish some credibility, which, in time, leads to integrity. If individuals employ the dynamics, I described in Step Six and Seven, he/she will be a different person, in Spirit, when they reach the ninth step and it will make it much easier to make amends backed up by a mountain of integrity. The steps of the program are numbered in order, for a reason and if a person is struggling with one of these steps it might be wise to back up and be sure that they didn't skimp on an earlier step or leave out something important. If an Alcoholic has a desire to live a happy and useful life, the steps of the program are a pathway to achieve that goal provided they stick with the plan. Not everything will go our way in the beginning but, if we persist, in time things will go exceptionally well. In the words of Preacher Roe: "Sometimes you eat the Bear, Sometimes the Bear eats you". I say, "Perseverance will always eat the Bear"!

# Supporting OUR FUTURE

## TRADITION SEVEN...

Every AA group ought to be fully self-supporting, declining outside contributions.

## WHO SUPPORTS A.A. BEYOND THE GROUP?

Twelfth Step work is the lifeblood of Alcoholics Anonymous — carrying the message to the next suffering alcoholic. Without it, the Fellowship would wither and die. Yet, even at its simplest level this vital contact between one alcoholic and another involves an investment of time and money.

From its earliest beginnings, A.A. has always incurred expenses — whether it be the cost of a pot of coffee or the price of a place to meet. In the early days, these costs were often absorbed by individual A.A.s or nonalcoholic friends who offered their parlors and living rooms for A.A.s to meet in. However, as A.A. outgrew the generosity of these early friends and members, the Fellowship's need for income became more and more apparent. Bill W., A.A.'s co-founder, and some of the early A.A. members initially felt the only way for the Fellowship to survive was to solicit financial support from philanthropic institutions or individuals outside A.A. These "high rollers" could then supply the funds the Fellowship would need to carry out the vital Twelfth Step work the early A.A.s envisioned — to bankroll the army of paid missionaries, the chain of A.A. hospitals, and the library of books they were certain to write. One potential A.A. patron, however, when approached by the pioneering members for money, instead helped to lay the ground-work for A.A.'s Tradition of self-support: "I am afraid that money will spoil this thing," said John D. Rockefeller Jr., while at the same time endorsing the work of the fledgling Fellowship. This marked a turning point in A.A. history and, as the reality of Mr. Rockefeller's statement sank in and A.A. members began to see the truth in the old cliché, "Who pays the piper calls the tune," the seed of the Seventh Tradition took root.

With the realization that A.A. must steer clear of outside contributions in order to maintain its autonomy and independence came the understanding that the money necessary for A.A.'s survival would have to come from individual A.A. members and groups. As Bill W. put it in 1957, "Our spiritual way of life is safe for future generations if, as a Society, we resist the temptation to receive money from the outside world. But this leaves us with a responsibility — one that every member ought to understand. We cannot skimp when the treasurer of our group passes the hat. Our groups, our areas, and A.A. as a whole will not function unless our services are sufficient and their bills are paid. "When we meet and defeat the temptation to take large gifts, we are only being prudent. But when we are generous with the hat we give a token that we are grateful for our blessings and evidence that we are eager to share what we have found with all those who still suffer." (The Language of the Heart, p. 221)

Bill W. writes: "When Ebby heard how serious my drinking was, he resolved to visit me. He was in New York; I was in Brooklyn. His resolve was not enough; he had to take action and he had to spend money. "He called me on the phone and then got into the subway; total cost, ten cents. At the level of the telephone booth and subway turnstile, spirituality and money began to mix. One without the other would have amounted to nothing at all. "Right then and there, Ebby established the principle that A.A. in action calls for the sacrifice of much time and a little money." "Now, where do A.A.'s services — G.S.O., Naples Inter- group/Central Office, District 20, Area 15 — fit into our scheme of things?" asked Bill W. in an October 1967 article in the A.A. Grapevine. "Why should we provide these functions with money?" According to Bill, "The answer is simple enough. *Every single A.A. service is designed to make more and better Twelfth Step work possible, whether it be a group meeting place, a central or intergroup office . . . or the world service Headquarters...*" Though not costly, these service agencies are absolutely essential to our continued expansion — to our survival as a Fellowship. Their costs are a collective obligation that rests squarely upon all of us. Our support of services actually amounts to a recognition on our part that A.A. must everywhere function in full strength — and that, under our Tradition of self-support, we are all going to foot the bill.

To help support A.A.'s essential services, the General Service Conference suggests that individual groups, through an informed group conscience, adopt a specific contribution plan tailored to meet the group's financial situation. Once the basic group expenses have been taken care of, for example: (rent, refreshments, literature), and a "prudent reserve" has been set aside to cover any emergency contingencies that might arise, the group may decide to further carry the message by sending money to the following A.A. service entities...

"Money has never been a requirement for A.A. membership, and to keep it that way all of A.A.'s trusted servants have an ongoing obligation to inform groups and individuals about the value of self-support and the need for voluntary contributions throughout the Fellowship. Many groups in reaching an informed group conscience look to their general service representatives (G.S.R.s) for specific information about finances, or to their intergroup representatives or group treasurer. Many find that participation in local, area, and regional A.A. service events provide a good source of information about A.A.'s financial needs. And at the General Service Office, A.A.'s financial affairs are an open book, with financial summaries published quarterly and a full accounting printed each year in the Final Conference Report.

While the Fellowship has always faced problems of money, property, and prestige in one form or another, through the wisdom of the Seventh Tradition we have never been diverted from our primary purpose of carrying the message to the alcoholic who still suffers — wherever he or she may be. This is the fundamental work of Alcoholics Anonymous, and to ensure that the hand of A.A. will always remain outstretched, money and spirituality must continue to mix. And for that, we are all responsible.

Need to contact Eileen at Amherst drug court to make table from 1130-330 every Tuesday. Lynn and Melissa can go one Tuesday a month so any volunteers would be greatly appreciated to be able to commit every Tuesday. Next meeting will be held on July 7th at 530pm. If you have any questions or concerns please email [buffalopicpc@gmail.com](mailto:buffalopicpc@gmail.com).

**Education/Participation** - The Education and Participation met today at 5:30 pm with 4 members in attendance. This past month, we visited four groups to inform them of the services available to them and encourage them to send a representative to Intergroup. Next month, we will be discussing ways to reach the meetings in the region that do not contribute or send a rep to Intergroup.

We offer a new Intergroup Representative (IR) Orientation beginning at 6:15 right before Central Committee each month. If you are a new IR or would like more information about what we do at Intergroup, please join us next month!

If you are interested in carrying the message of service to AAs throughout the Buffalo region, come to our next committee meeting on Sunday, July 7th at 5:30 pm or e-mail us at [buffaloepc@gmail.com](mailto:buffaloepc@gmail.com).

Yours in service,  
Hannah W.

**Buffalo AA Fall Convention 2018** - Our convention committee met on May 6th to further discuss our plans for your 2019 fall convention at the Millennium Hotel 10/25-10/27. Our program chair has confirmed 5 well known speakers and is building several panels for local members to discuss our convention theme- Spiritual Progress. Save the date flyers are now available for distribution to your members. Registration forms will be available in June and we are striving with the central committee internet committee to make online registration a reality for the very first time. Credit card payments for registration will be possible as well as purchases for door registration and souvenirs. Please contact Marie our greeters chair to get you and your sponsee's signed up for greeting at the entrances- 716-380-9579. We also have on the front table flyers to inform home groups of the need for service in hosting the hospitality room in 2 hour shifts. Contact Sarah S. Hospitality chair at 716-430-2524 to get your home group signed up. Again we are planning a AA play on Friday night and are in great need for actors and stage crew and set builders to be of service- this is our convention everyone in the event is a member doing service. There will be yoga and meditation both Saturday and Sunday morning. Bring your mat and receive some health and serenity.

## *New Frontiers ~ July 2019*

(Central Committee Minutes Continued...)

**Archives** - The Archives Committee reported to 2 of the 4 Intergroups in May, had our monthly meeting, 2 worknights which included an Oral History, one General Service Area committee mtg and the annual Area 50 Archives Breakfast.

I'm attending NERF where the General Service office in New York City shows us all they've got happening and a much closer up view of the newest OUT THE DOOR coming at us efforts that they created per direction from us members via our past annual conferences.

Donations from Ironhorse, Action Group & Sobriety Night Hamburg Men's came last month and we did no displays other than the full display at our breakfast.

Upcoming displays have been requested at Q&A on Grand Island June 27th, Main & High's Day Of Sharing June 13th and Batavia Gen-Wyo Intergroup picnic July 27th.

Lastly, a number of people have talked about wanting to donate stuff to archives per one issue or another -- and SPRING CLEANING is here for procrastinating alcoholics like me - so please pass my number or email [ARCHIVES@AREA50WNY.ORG](mailto:ARCHIVES@AREA50WNY.ORG) out if you know someone or groups purging or interested in helping archives carry the AA message to drunks.

Thank you so much for your kindness & support of our committee responsibilities.

In love and service, Lila M

**General Service Liaison** – GSA committee meetings occurred may 11, 2019.

The committees reported on the happenings for the area.

A motion was made to rewrite the job descriptions of 8 jobs at the area level.

Delegate, chair, alt. Delegate, CPC chair, treasurer were among a few.

The motion was tabled so that the groups could weigh in on the proposed rewrites.

The major switch here is having the chairperson and alt delegate become separate jobs at the area level.

The area wants to get these votes done by the July 20 assembly meeting.

The next committee meeting is June 17, 2019 at the Amherst Presbyterian Church from 7pm to 9pm.

The next general service assembly is July 20, 2019 and the proposed host in the buffalo area intergroup.

Thanks, Jeff B.

### **Internet Presence-**

- Meeting Database
  - The new database for meetings is ready to be put in place and existing data has been imported and updated
  - Turnover/training for Terry B to be scheduled when Tom C is free but will be done by 6/21
  - Some tweaking still being done on the export to the website, that will remain a job for the IPC committee at this point.
- Switch to new site
  - There's been some delays due to a few technical issues to work through and scheduling conflicts for the chair due to work commitments
  - Planned go-live date is now between 6/14 and 6/17 depending on timing with swapping domains
  - There may be a delay of an hour or so between requesting the swap and it going live where the site may be unavailable
- Test site:
  - Live with meetings imported from the new meeting database
  - Requested a connection to the mobile Meeting Guide application
- Contribution page:
  - Working on setting up the commerce plug-in to allow collecting contributions
  - Terry B. worked with PayPal and set up the ability with them to collect for the Central Office, Treatment Facilities Committee and Corrections Committee separately. That is from multiple requests she's received to be able to do that.
  - All 3 will be available at go-live
- Online Forms:
  - Working on picking and converting some forms to be online forms at go-live
  - Other forms will be imported as is from existing site and then converted over time
- Convention Committee
  - The Convention Committee has requested an online registration form for the convention
  - They have also requested the ability to accept payments online. The IPC will only be providing the infrastructure to do that, the Convention Committee will be solely responsible for the accounts and managing the payments.
  - This should be available at go-live as it will use the same setup as the main page for forms and payments

### **Other Activities**

- Email accounts - on hold until new website is live, it is dependent on switching the [buffaloany.org](http://buffaloany.org) domain to our new hosting service. Creation of accounts should begin the week of 6/17
- All other presence platforms are on hold until website is live as that is taking the most time.

**Intergroup wants to express our appreciation** for those groups and individuals who have made generous financial contributions, and give a **special thank you** to all the members who have volunteered their time this year to help the sick and suffering alcoholic.

*Bill W. wrote of Intergroup Offices, "Though not costly, these agencies are absolutely essential to our continued expansion—to our survival as a Fellowship. Their costs are a collective obligation that rests squarely upon all of us. Our support of services actually amounts to a recognition on our part that A.A. must everywhere function in full strength—and that, under our Tradition of self-support, we are all going to foot the bill."*

*"Self-Support: Where Money and Spirituality Mix" pamphlet*

### Examples of Group Contributions to A.A. Service Entities

Distribution of funds from groups that support four service entities

10% to district  
10% to area committee  
30% to G.S.O.  
50% to intergroup or central office

**50% to Intergroup or Central Office**

*"We commenced to make many fast friends and a fellowship has grown up among us of which it is a wonderful thing to feel a part of."*  
-Bill W.

**Concept VII:** The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.

- Do we act responsibly regarding the "power of the purse"?
- Do we realize that the practical and spiritual power of the Conference will nearly always be superior to the legal power of the G.S.B.?

### Spirituality and Money

*"While the work of the group treasurer often involves many details, it is important to remember that the money the treasurer oversees serves a spiritual purpose: it enables each group to fulfill its primary purpose of carrying the A.A. message to the alcoholic who still suffers. This is the fundamental work of A.A. and to continue it the group must keep its doors open. The group treasurer is an important part of this Twelfth Step work."*
