➤ *Yet, something else. We'll give this a try for a while. The Office has in its possession, through donation, a number of speaker, convention, AA tapes. If anyone is interested in borrowing any of them for a short period of time, we will try this like a library. If it works, great, if it doesn't that's great too, cause we tried something new. Then, too, if you have any tapes you would like to donate for this use, I'm sure everyone would appreciate it.*

Thanks, Cini
