

NEW FRONTIERS

A.A. of the Niagara Frontier

October 2020

THE CENTRAL COMMITTEE NEWSLETTER FOR ALL A.A. MEMBERS OF WESTERN NEW YORK AND THE NIAGARA FRONTIER

Each Group has the responsibility to keep its information up-to-date

What is an A.A. Meeting Directory?

It's generally a taken-for-granted booklet that the central office/intergroup compiles, edits, and prints on a regular basis. As a worker in an intergroup, I want to give a behind-the-scenes glance at the effort involved in putting together such a directory.

The first step for the trusted servants at the central office is to extract all relevant information from the membership and then organize it in some meaningful order. Meetings are first arranged by a geographical location in the city. Then, types of meetings are given: open ones, closed ones, men's, women's, speaker, discussion, gay, smoker, nonsmoker, beginners, Step study, Big Book study, young peoples, old-timers, Spanish-speaking, signed for the deaf, plus any possible combination of these.

As the numbers of groups increase and groups continue to change, maintaining the meeting list becomes more difficult. New geographic areas must be added, as well as detox and rehabilitation centers with AA meetings. Because of all these changes, any resemblance between the printed meeting schedule and actuality at the end of the year may be slight. For an intergroup trusted servant, it seems as if mischievous alcoholics, driven by an unending compulsion that "half measures availed us nothing," are trying to establish an AA meeting on every corner of every block on every night of the week.

Some newly-established groups never last beyond a couple of months, but somehow their secretaries (if the group has one) neglect to inform the intergroup when the group ceases to function. The only way an intergroup discovers that a meeting has been canceled may be when an irate alky calls to chew out somebody for sending her to a nonexistent meeting the day before—or the address listed was wrong or the place has been boarded up. Alcoholics love to call up intergroup with information on meetings; through experience, most intergroups will insist that the information be submitted in writing.

Once the new list is printed, all the secretaries of all the groups—who were importuned for the previous six months to make sure that their group information is correct—will call to advise the intergroup that the new meeting schedule is in error. By some unwritten law, it is axiomatic that a new meeting schedule will always have errors. Typically, Gus from the Alky Fetcher's Group on Possum Trot Boulevard will call and demand to know why the meeting of the Healthy Livers was designated as an open meeting when everyone knows it changed to a closed meeting six months ago. Or a club whose phone number is printed on the cover will call to change to a new number, and the first of many penciled-in corrections begins. The compilers are always playing catch-up.

Suppose the unpardonable oversight has occurred, and some group's schedule has been omitted. Then the intergroup hosts a stamping party to insert the information on some fifteen to twenty thousand copies of the meeting schedule. Or, to take an incident of recent memory, when someone protested the designation "gay" after the name of a meeting, the "gay deleters" gathered at the central office with their trusty black markers and, in the interest of uniformity, expunged the word "gay" from about eleven different places on six different pages of the twenty thousand copies. There was just a little grumbling here and there, but on the whole the incident gave many of us a chance to gather for chitchat and fellowship.

A meeting schedule is a flexible thing, ever-changing to meet new conditions, and never, ever, finished.

Featured Committee of the Month

About Nightwatch

Will your group help?

Sign up for One Month!

Everyone had a first contact. You can be someone's lifeline.

Our program is one of Recovery, Unity, and Service.

Someone was there for you... be there for someone else!

It takes so little to give so much... Our primary purpose is to stay sober and to HELP other alcoholics to achieve sobriety.

12-Step Calls

Buffalo Central Committee's primary purpose is to carry the message of Alcoholics Anonymous to the still suffering alcoholic when they call for help.

Your voice is often the first, and sometimes the only contact a problem drinker will have with A.A. A calm and gentle manner can instill trust in a newcomer. That first call is a difficult one for a problem drinker to make, be compassionate and understanding. A caller may only have a vague idea why they are calling us. Often that they only know they are in trouble and that A.A. may be able to help them. If the caller is in distress, give comfort and support and let the caller know that you will get someone near their area to call them. Briefly share your experience, strength, and hope.

The dual necessity for diplomacy and speed is difficult to attain. The situation usually dictates the methods. Experience will develop in a volunteer a feeling for each caller and his or her circumstances.

If you need additional help with a caller, utilize your home-group's phone list for help during the nighttime hours.

NIGHTWATCH

I am responsible.

When anyone, anywhere, reaches out for help, I want the hand of A.A. always to be there. And for that: *I am responsible.*

Nightwatch Program

What is Nightwatch?

The Nightwatch program gives groups the opportunity to be of service in A.A. Nightwatch volunteers answer evening and weekend telephone calls from people who might need twelfth-step help.

How can my group take part in Nightwatch?

There are two ways a group may choose to participate in Nightwatch.

First, by taking a one month telephone commitment, where the members of the group take turns answering the phones (at home) after the office is closed and on weekends and holidays.

Second, by providing a list of twelfth-step contacts. The twelfth-step contact list is used by both office and by the Nightwatch volunteers to contact A.A. members who are willing to take twelfth-step referrals. This may be to simply call a still suffering alcoholic or perhaps to take them to an A.A. meeting.

What are the requirements to take part in Nightwatch?

It is suggested that telephone volunteers and twelfth step contacts have at least one year of continuous sobriety.

How many people would my group need to cover the phone answering commitment?

Usually, the commitment is spread among five (5) group members, but fewer or more people could participate.

Our group is very small, can we still participate?

Yes, as long as the member's of your group can fulfill the monthly commitment.

Where are the Nightwatch calls answered?

The calls are answered wherever the volunteer is. The volunteer's number is NEVER given out. Callers dial the intergroup office number, and calls are automatically forwarded to the volunteer's phone.

Will the phone ring all night long?

No. Most calls will come in before midnight, however occasionally there may be some calls in the middle of the night. It is important to keep your phone within reach at all hours during your volunteer hours.

What are the hours of the telephone answering commitment?

The group members sign up to answer the phones each week of the month. The commitments are split by week (Monday pm- Monday am), with the group selecting a #1, #2, & #3 volunteer to answer the phone per week.

***Please note:** During all shifts it is very important for the volunteer be able to answer calls.

What types of calls will I receive?

Calls will come in for meeting information, Al-Anon, committee meetings, and more. Some calls will need twelfth-step referrals. The referral is handled by taking the callers name, location, and phone number. Then, the volunteer looks in the manual

for a same sex twelfth-step contact near the caller's location. Next, the volunteer calls the twelfth-step contact. The contact then calls the caller back. The Twelfth-step contact's number is NEVER given to the caller.

How will I know what to say to the caller?

Intergroup provides volunteers with a Nightwatch Manual. The manual has guidelines and procedures for handling all types of calls along with a list of Twelfth-step contacts by zip code.

Is training required for members taking the commitment?

A brief presentation will be given to your home group prior to the group's commitment. The only other training that most members will need involves taking a half hour or so before their shift begins to read the "Guidelines and Procedures" section of the Nightwatch Manual, and.... **your experience, strength, and hope!**

How does my group begin?

Call the Central Office! The hours are Monday through Friday from 9:00 am until 12:30 pm and 2:00 PM until 4:00PM.

WE ARE ASSUMING NOTHING OF GROUPS MEETING, IF I DON'T HEAR FROM A GROUP BEFORE THE NEXT PRINTING OF THE SCHEDULE, THEY WON'T BE IN IT!!!

I am working back and forth with the Web-guys trying to get groups to do their Update's (resuming, indoor, outdoor, bring masks, chairs, drink, ect)... through the website. We are making the web-database the Master database and this avoids something slipping through the cracks. Please don't think just posting it on Facebook will get this done. Please remember our primary purpose; the only way at this point a new person is going to find us is through this website. Please be responsible!!!

Yours In the Fellowship of the Spirit

Central Committee Minutes September 13th, 2020

The meeting started at 7:15 PM. We opened with a moment of silence followed by the serenity prayer. The readings read included the AA preamble and the 12 traditions. There was not a presentation of the tradition.

7 groups were represented: The Buffalo Group, Derby Group, Thruway

Group, Action Group, Williamsville Group, Lakeshore, Acceptance/Welcome

Reports:

Envelope system: Brought in \$670 for August

Steering committee: no report

Financial report: Our Starting Checkbook balance was \$24,373.73. We took in \$8322.93 in Contributions from Groups and individuals. The Envelope System took in: \$670, NF- \$30, Literature and Tax came to \$1,186.28 for total income of \$10,218.38. Our expenses totaled \$6,074.10. That means this month we took in \$4,144.28 more than our expenses. Final checkbook balance is \$28518.01. Since January overall we are down: \$6,748.67

Corrections beginning balance was \$4,476.59. They took in \$25. Had a \$3.00 Bank Fee for a balance of \$4,476.59

Treatment beginning balance was \$1476.42. They took in \$36.04. Had a \$3.00 bank fee for a final balance of \$1,509.46

Treatment: no report

Corrections: No report

Central office: See insert

Night-watch: Needs volunteers for the upcoming months. Please call central committee for more information if interested.

PIC/CPC: No report

Education and Participation: No report

Internet presence: The committee is in need of more hands to help with editing, updating meetings and general design help. You don't necessarily need to be a geek to help. You do not necessarily need to be part of the committee to be an editor. There will be a Zoom based meeting for all interested the week of 9/21/2020, final date TBD. Working on a chat function to provide contact with AA members in need of help. This is not to replace Nightwatch or the 12th step list, but to work in conjunction with it. Any group that would like a demo please email me at the Web Servant email address. We also need volunteers to do a proof of concept, hopefully about a dozen to start. Would like to have a kickoff meeting the week of 9/21/2020, final date TBD. We have received several emails from Treatment Facilities letting us know how dependent they have been on Zoom meetings. Keep in mind as physical meetings do return that it is possible to keep the Zoom meeting running as well. They are helping many new people that can't get to a meeting any other way. We have been asked about digital baskets for meetings (these are for meetings themselves, not for the Central Office). The schedule has the ability to add that ability to meetings, but each meeting is responsible for setting up their own accounts. The services that can be used are Venmo, Square Case, or PayPal. Digital baskets can be used by online or physical meetings. Anyone interested in more information or have questions please email the Web Servant. (Report given by Tom C.)

Current convention: The convention will be cancelled for this Fall

Liaison GSA: GSA postponed the Roundtable scheduled for 9/12 until December. There is nothing further to report. (Reported by Dean C.)

Archives: We continue to have our work nights the 2nd and 4th Monday of every month. Our committee meeting is the 3rd Monday of every month live and in person. All work nights and committee meetings are held in our archive's repository located at Buffalo central office. We've recently completed 2 more oral histories. Thanks Tom B. And Wally E. For doing the oral histories. I attended NY-PENN intergroup meeting. I also attended the Cataract city convention planning meeting with Tom B. We've recently had numerous expenses to keep our archives repository up and running even through this Covid pandemic, we have never been dark the lights have always been on in archives!!!! We are an autonomous committee and receive no money except from group and individual donations. If you'd like to get involved in your archives please let me know. (Submitted by David G.)

Old Business:

No old business

New business:

Tom C. made a motion that the chair of the 2020 convention become the chair of 2021 convention, and that the co-chair of 2020 convention become the co-chair of the 2021 convention. The motion was passed.

Rich B. made a motion to post pone elections until next year. The motion was passed.

Announcements: If groups need updated, hard copies of schedules, they can be printed off at the central committee website. Go to "meetings" tab on the left-hand side of the page. In the drop-down menu choose "PDF Schedules" to find printable versions of updated schedule, including online schedule.

Next meeting is October 4th, 2020 via Zoom.

YTD: 2019

Intergroup wants to express our appreciation for those groups and individuals who have made generous financial contributions, and give a **special thank you** to all the members who have volunteered their time this year to help the sick and suffering alcoholic.

Tradition Ten: Alcoholics Anonymous has no opinion on outside issues; hence the AA name ought never be drawn into public controversy.

- Do I ever give the impression that there really is an "AA opinion" on Antabuse? Tranquilizers? Doctors? Psychiatrists? Churches? Hospitals? Jails? Alcohol? The federal government? Legalizing marijuana? Vitamins? AI-Anon? Alateen?
- Can I honestly share my own personal experience concerning any of those without giving the impression I am stating the "AA opinion"?
- What in AA history gave rise to our Tenth Tradition?
- Have I had a similar experience in my own AA life?
- What would AA be without this Tradition? Where would I be?
- Do I breach this or any of its supporting Traditions in subtle, perhaps unconscious, ways?
- How can I manifest the spirit of this Tradition in my personal life outside AA?

Concept X: Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.

- Do we understand "authority" and "responsibility" as they relate to group conscience decisions by G.S.R.s, D.C.M.s and our area delegates? 4
- Why is delegation of "authority" so important to the overall effectiveness of A.A.? Do we use this concept to define the scope of "authority"?

Bill W. wrote of Intergroup Offices, "Though not costly, these agencies are absolutely essential to our continued expansion—to our survival as a Fellowship. Their costs are a collective obligation that rests squarely upon all of us. Our support of services actually amounts to a recognition on our part that A.A. must everywhere function in full strength—and that, under our Tradition of self-support, we are all going to foot the bill"
