## November is Gratitude Month

### A Full and Thankful Heart...

One exercise that I practice is to try for a full inventory of my blessings and then for a right acceptance of the many gifts that are mine—both temporal and spiritual. Here I try to achieve a state of joyful gratitude. When such a brand of gratitude is repeatedly affirmed and pondered, it can finally displace the natural tendency to congratulate myself on whatever progress I may have been enabled to make in some areas of living. I try hard to hold fast to the truth that a full and thankful heart cannot entertain great conceits. When brimming with gratitude, one's heart heal must surely result in outgoing love, the finest emotion that we can ever know.

Bill W.

When we retire at night, we constructively review our day.

Were we resentful, selfish, dishonest or afraid?

Do we owe an apology?

Have we kept something to ourselves which should be discussed with another person at once?

Were we kind and loving toward all?

What could we have done better?

Were we thinking of ourselves most of the time?

Or were we thinking of what we could do for others, of what we could pack into the stream of life?

But we must be careful not to drift into worry, remorse or morbid reflection, for that would diminish our usefulness to others.

After making our review we ask God's forgiveness and inquire what corrective measures should be taken.

# SELF-SUPPORT: WHERE MONEY AND SPIRITUALITY MIX

**An Excerpt from the pamphlet published**

*by AA World Services*

*"Self-support begins with me, because I am part of us — the group. We pay our rent and utility bills, buy coffee, snacks and A.A. literature. We support our central office, our area committee, and our General Service Office. If it were not for those entities, many new people would never discover the miracles of A.A."*

Twelfth Step work is the lifeblood of Alcoholics Anonymous — carrying the message to the next suffering alcoholic. Without it, the Fellowship would wither and die. Yet, even at its simplest level this vital contact between one alcoholic and another involves an investment of time and money.

"Let's begin with my own sponsor, Ebby," writes Bill W., in the book *Alcoholics Anonymous Comes of Age*. "When Ebby heard how serious my drinking was, he resolved to visit me. He was in New York; I was in Brooklyn. His resolve was not enough; he had to take action and he had to spend money.

"He called me on the phone and then got into the subway; total cost, ten cents. At the level of the telephone booth and subway turnstile, spirituality and money began to mix. One without the other would have amounted to nothing at all.

"Right then and there, Ebby established the principle that A.A. in action calls for the sacrifice of much time and a little money."

## **Footing the bill**

*"Now, where do A.A.'s services — worldwide, area, local — fit into our scheme of things?" asked Bill W. in an October 1967 article in the A.A. Grapevine. "Why should we provide these functions with money?"*

According to Bill, "The answer is simple enough. Every single A.A. service is designed to make more and better Twelfth Step work possible, whether it be a group meeting place, a central or intergroup office . . . or the world service Headquarters . . . .

"Though not costly, these service agencies are absolutely essential to our continued expansion — to our survival as a Fellowship. Their costs are a collective obligation that rests squarely upon all of us. Our support of services actually amounts to a recognition on our part that A.A. must every-where function in full strength — and that, under our Tradition of self-support, we are all going to foot the bill."

## *How can groups participate?*

To help support A.A.'s essential services, the General Service Conference suggests that individual groups, through an informed group conscience, adopt a specific contribution plan tailored to meet the group's financial situation.

Once the basic group expenses have been taken care of, for example: (rent, refreshments, A.A. literature, Grapevine literature, local meeting lists, G.S.R. travel expenses to attend service functions), and a "prudent reserve" has been set aside to cover any emergency contingencies that might arise, the group may decide to further carry the message by sending money to the following A.A. service entities.

The local district, which communicates directly with the groups, providing the district group conscience for the area assemblies, and serving as a link between the area delegates and the G.S.R.s.

The area committee, which coordinates vital A.A. activities over a broad geographic area; sends a delegate to the annual General Service Conference; holds area assemblies to determine the needs of the Fellowship; and provides information at all levels of service.

The local intergroup or central office, which may provide phone service for Twelfth Step calls and other inquiries; coordination of group activities; A.A. literature sales; institutions work; public information and cooperation with the professional community activities.

A.A.'s General Service Office, which functions as a storehouse of A.A. information, communicating with members and groups around the world; publishes A.A.'s literature; and supplies information and experience to professionals and others interested in A.A.

## **The Bottom Line**

***"Now that we are sober in A.A., the word 'support' has to do with sharing, people, self- respect, gratitude, and what we are privileged to give — not take — in material terms."***

While the Fellowship has always faced problems of money, property, and prestige in one form or another, through the wisdom of the Seventh Tradition we have never been diverted from our primary purpose of carrying the message to the alcoholic who still suffers — wherever he or she may be. This is the fundamental work of Alcoholics Anonymous, and to ensure that the hand of A.A. will always remain outstretched, money and spirituality must continue to mix. And for that, we are all responsible.

**Tradition Eleven: Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.**

- Do I sometimes promote AA so fanatically that I make it seem unattractive?
- Am I always careful to keep the confidences reposed in me as an AA member?
- Am I careful about throwing AA names around – even within the Fellowship?
- Am I ashamed of being a recovered, or recovering, alcoholic?
- What would AA be like if we were not guided by the ideas in Tradition Eleven? Where would I be?
- Is my sobriety attractive enough that a sick drunk would want such a quality for himself?

**PRACTICAL EXPERIENCE shows that nothing will so much insure immunity from drinking as intensive work with other alcoholics.**

**Concept XL: The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.**

- Do we understand how the roles of nontrustee directors and nontrustee appointed committee members help serve and strengthen the committee system?
- How do we encourage our special paid workers to exercise their traditional "Right of Participation"?
- Do we practice rotation in all our service positions?

## 7th tradition self-support contribution

A.A. was founded on the premise that it would be self-supported through member contributions.

For over 50 years, contributing a single dollar has almost become a tradition. But will just one dollar per person per meeting sustain us today?

1960....26c  
2016....\$8.00

1960....10c  
2016....\$1.00

1960....28c  
2016....\$2.16

Today's dollar has only 19 cents of the purchasing power of a 1960 dollar!

Please help keep A.A. self-supporting. Do what you can-and if you can, DOIT.
