Everybody knows that those in bad health, and those who seldom play, do not laugh much. So let each family play together or separately, as much as their circumstances warrant. We are sure God wants us to be happy, joyous, and free. We cannot subscribe to the belief that this life is a vale of tears, though it once was just that for many of us. But it is clear that we made our own misery. God didn't do it. Avoid then, the deliberate manufacture of misery, but if trouble comes, cheerfully capitalize it as an opportunity to demonstrate His omnipotence.

END OF BUSINESS DAY 4:00 PM
of the month previous

With the alcoholic, whose hope is the maintenance and growth of a spiritual experience, this business of resentment is infinitely grave. We found that it is fatal. For when harboring such feelings we shut ourselves off from the sunlight of the Spirit. The insanity of alcohol returns and we drink again. And with us, to drink is to die.

So our troubles, we think, are basically of our own making.

Instead of saying
"I have to", try saying
"I Get to"
and see if it doesn't
make a difference
in your outlook on life.

As our co-founder Bill W. said, "We AAs were once a burden on everybody. We were 'takers.' Now that we are sober, and by the grace of God have become responsible citizens of the world, why shouldn't we now about-face and become 'thankful givers!'"

One of the most common misconceptions of these gatherings is that they are AA meetings and so there should be "no dues or fees" as per our 7th Tradition. However, the Buffalo Fall Convention is a special event and not a regular AA meeting. No baskets are passed.

**Suggested Disbursement**

*"Why don't you choose your own conception of God?"*

Bill W. and Ebby T.

*That statement hit me hard. It melted the icy intellectual mountain in whose shadow I had lived and shivered many years.*

*I stood in the sunlight at last. It was only a matter of being willing to believe in a power greater than myself.*

*Nothing more was required of me to make my beginning.*

*Big Book p12*

I recently heard someone say,

*"When I wake up, I pray that God gets in my head before I do"*

...and honestly, that's the best thing I've ever heard.

**Tradition Ten: Alcoholics Anonymous has no opinion on outside issues; hence the AA name ought never be drawn into public controversy.**

- Do I ever give the impression that there really is an "AA opinion" on Antabuse? Tranquilizers? Doctors? Psychiatrists? Churches? Hospitals? Jails? Alcohol? The federal government? Legalizing marijuana? Vitamins? Al-Anon? Alateen?
- Can I honestly share my own personal experience concerning any of those without giving the impression I am stating the "AA opinion"?
- What in AA history gave rise to our Tenth Tradition?
- Have I had a similar experience in my own AA life?
- What would AA be without this Tradition? Where would I be?
- Do I breach this or any of its supporting Traditions in subtle, perhaps unconscious, ways?
- How can I manifest the spirit of this Tradition in my personal life outside AA? Inside AA?

**PRACTICAL EXPERIENCE shows that nothing will so much insure immunity from drinking as intensive work with other alcoholics.**

**Concept X: Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.**

- Do we understand "authority" and "responsibility" as they relate to group conscience decisions by G.S.R.s, D.C.M.s and our area delegates? 4
- Why is delegation of "authority" so important to the overall effectiveness of A.A.? Do we use this concept to define the scope of "authority"?

7th tradition self-support  
 contribution 

*Bill W. wrote of Intergroup Offices, "Though not costly, these agencies are absolutely essential to our continued expansion—to our survival as a Fellowship. Their costs are a collective obligation that rests squarely upon all of us. Our support of services actually amounts to a recognition on our part that AA. must everywhere function in full strength—and that, under our Tradition of self-support, we are all going to foot the bill"*
